

VANTAGE

Quality Policy

Vantage Drilling is committed to providing the highest standard of well construction services, which will consistently satisfy the needs of our clients.

At Vantage we shall:

- Continuous communication and consultation with our clients to ensure that their requirements are known, understood and acted on.
- Provide the tools so that all employees plan, perform and verify the quality of their work in accordance with the Quality Management System and customer requirements.
- Provide all personnel with the correct training and knowledge required to perform their duties.
- Develop effective communication channels for both onshore and offshore operations.
- Identify suitable preventive and corrective actions to any known undesirable situation.
- Measure the effectiveness of the Quality Management System through annual audits.
- Monitor our quality performance and the effectiveness of our quality management system to drive continuous improvement.

Ihab Toma
Chief Executive Officer
