Notes

1. The Topaz Driller is mobilizing to Eni Morocco.
2. Vantage sold the Emerald Driller, Sapphire Driller and Aquamarine Driller to ADES Arabia in May 2022. Vantage provides support to the Emerald Driller Company, an ADES company.
3. Upon the merger of Aquadrill and Seadrill, a termination notice was issued for the Marketing and Management contract for the Aquarius, and the Marketing contracts for the Capella and Polaris. Termination became effective 9th July 2023. The Aquarius has subsequently been handed back to Seadrill.
4. The Polaris is contracted for a 273 day program with ONGC in India. ONGC have informed Vantage that the rig will continue, under well in progress clause, through till mid November 23.
5. Seadrill LLC and a subsidiary of Vantage Holdings International have reached an agreement to provide the Capella for a four firm well contract plus two priced and three mutually agreed optional wells for operations in Indonesia. One priced option has been exercised on June 16th for an approximate duration of 72 days.
6. Mobilisation and final demobilisation values for Foxtrot depend on whether the vessel works in direct continuation in the region. Max value shown.
7. ONGC has confirmed that the Platinum shall operate till 31st January 2023.
8. The Dayrate is the effective rate over the firm term and covers multiple locations.
